

Adolescent Therapist

Summit Achievement, located on the boundary of the White Mountain National Forest, is a state-licensed outdoor and academic program for adolescents who are experiencing problems at home or at school. The program utilizes a combination of wilderness adventure, therapeutic, and academic programming in a structured environment. Summit has year-round employment opportunities available.

Responsibilities:

State Licensed Residential Treatment facility providing outdoor and academic programming for adolescents who are experiencing problems at home or school. Participate as a member of the treatment team delivering services to participants. Ages 13-17. Provide individual and group psychotherapy. Up to 8 students in a group. Strong outdoor therapy component (hiking, climbing, canoeing).

Qualifications:

MA, MSW, PhD's. Related experience as a professional counselor or therapist in an educational, residential, or experientially therapeutic environment with adolescence. License preferred.

Salary & Benefit:

Competitive salary
Retirement plan with matching employer contribution
Health insurance – Blue Cross Blue Shield
Paid vacation, paid holidays, sick and personal days
Beautiful campus with excellent amenities nearby
